Brea K. EllsworthSTATUS REQUEST

Dear Sir:

The above-identified application went abandoned on February 3, 2004 for failure to reply in a timely manner to the Notice to File Corrected Application Papers mailed December 2, 2003. Applicants failed to reply to the Notice to File Corrected Application Papers because Applicants did not receive the Notice or the Filing Receipt.

A Notice of Abandonment was mailed on October 21, 2004. Applicants' attorney contacted the Office of Initial Patent Examination on October 27, 2004 to determine why the documents had not been received despite the Document Request filed on June 23, 2004 requesting the filing receipt and changing the correspondence address. A copy of the Notice to File Corrected Application Papers was finally received on October 27, 2004. A Petition for Revival and Transmittal of Corrected Application Papers were filed on December 8, 2004. In a Petition Decision mailed December 22, 2004, the petition to revive was granted. Applicants have not yet received a filing receipt.

The Petition Decision, mailed nearly a year ago, is the most recent correspondence received from the USPTO. Please advise as to the status of this application.

No fees are believed to be due at this time. If, however, it is believed that any additional fees are necessary, the Commissioner is hereby authorized to charge or credit any such fees or overpayment to Deposit Account No. 50-1901 (Reference No. 22413-14). Any inquiry regarding this matter should be directed to Barbara A. Wrigley at (612) 607-7595.

Respectfully submitted,

Dated: 10/25/05
